

SHAFEEQAHAMED M

Web Developer | Computer Science & Engineering

Tamil Nadu, India | +91 8489481039 | m.shafeeqahamed2004@gmail.com | [Portfolio](#) | [LinkedIn](#) | [GitHub](#)

PROFESSIONAL SUMMARY

Motivated and detail-oriented Web Developer and Computer Science & Engineering student with a solid foundation in Mechanical Engineering and design thinking. Adept at designing and deploying modern, responsive web applications, inventory management systems, and university platforms using HTML5, CSS3, JavaScript (ES6+), PHP, MySQL, Python, and Bootstrap. Leverages cross-disciplinary engineering training to build user-centric, scalable software solutions. Recognized for continuous learning through NPTEL certifications in Cloud Computing and active involvement in technical symposiums. Seeking opportunities in web development, full-stack projects, and software engineering roles.

CORE COMPETENCIES & TECHNICAL SKILLS

Programming Languages: JavaScript (ES6+), Python, PHP, SQL, HTML5, CSS3

Frontend Development: Bootstrap 5, Responsive Web Design, DOM Manipulation, CSS Grid / Flexbox, UI/UX Optimization

Backend & Database Management: PHP Backend Logic, MySQL, Relational Database Modeling, CRUD Operations, SQL Querying

Cloud & System Concepts: Cloud Computing Fundamentals, Web Hosting, Cloud Storage Systems, Distributed Networks

Tools & Methodologies: Git, GitHub, VS Code, Browser DevTools, Agile Learning, Modular Code Architecture

Professional Strengths: Design Thinking, Cross-Disciplinary Problem Solving, Rapid Tech Adoption, Technical Communication

FEATURED TECHNICAL PROJECTS

COMPSEM '26 – University Symposium Management Platform [\[PHP, MySQL, JavaScript, HTML5, CSS3, Bootstrap\]](#) [\[Live Demo\]](#)

- Architected and developed a full-featured web platform to digitize university symposium operations, delegate registrations, and event schedules.
- Built structured MySQL database schemas for secure attendee data capture and real-time event status updates.
- Designed an intuitive, mobile-responsive user interface using Bootstrap and custom CSS for high cross-device accessibility.

Product & Warehouse Management System [\[PHP, MySQL, JavaScript, HTML5, CSS3\]](#) [\[Live Demo\]](#)

- Engineered an inventory control and warehouse management application to track product stock, orders, and category distributions.
- Created dynamic data filtering and real-time search functionality using JavaScript and PHP MySQL database queries.
- Implemented user-friendly dashboards to streamline stock updates and reduce manual inventory tracking errors.

GST Billing & Inventory Management Software [\[PHP, MySQL, JavaScript, Bootstrap\]](#) [\[Live Demo\]](#)

- Developed a comprehensive billing software application integrating automated GST tax calculations and invoice generation.
- Formulated transaction records management and customer profile logging to optimize small business financial workflows.

Cloud Store – Cloud Storage Management Platform [\[HTML5, CSS3, JavaScript, PHP, MySQL\]](#) [\[Live Demo\]](#)

- Designed a web-based cloud storage platform concept allowing structured user file management and intuitive file categorization.

Social Media Hub – Networking Platform Prototype [\[PHP, MySQL, JavaScript, HTML5, CSS3\]](#) [\[Live Demo\]](#)

- Built a social networking prototype featuring user profile management, posts interaction, and dynamic interface updates.

EDUCATION

Bachelor of Engineering (B.E.) in Computer Science and Engineering (2024 – 2027)

Annamalai University, Tamil Nadu, India

- Relevant Coursework: Web Technologies, Database Management Systems (DBMS), Software Engineering, Data Structures, Cloud Computing, Computer Networks.

Diploma in Mechanical Engineering (2020 – 2023)

MRK Polytechnic College, Tamil Nadu, India

- Relevant Focus: Engineering Physics & Math, Computer-Aided Design (CAD), Manufacturing Processes, System Optimization, Technical Problem Solving.

CERTIFICATIONS & CREDENTIALS

- NPTEL Certification – Cloud Computing (IIT Kharagpur / Swayam) [\[Verify Credential\]](#)
- NPTEL Certification – Social Networks (IIT Madras / Swayam) [\[Verify Credential\]](#)

LANGUAGES & PERSONAL INTERESTS

- **Languages Spoken:** English (Professional Working Proficiency), Tamil (Native / Fluent)
- **Technical Interests:** Full-Stack Development, Cloud Infrastructure, Database Architecture, Web Performance Optimization
